

Mullion School

Welcome to our School

Thank you for showing an interest in applying for a position at our school. We hope the information given here will give you some insight into our school.

At Mullion School, we aim to unlock every student's full potential, empowering them to chase their dreams and feel a true sense of belonging in our community. We do this by creating a kind environment, where self-belief soars and determination thrives.

We inspire students to make every one of our 1000 days here count. To achieve this, we offer a rich and challenging curriculum that encourages them to venture beyond their comfort zone, embracing new knowledge and honing essential skills.

School Background

Mullion School, a place where our students are at the heart of everything we do, nestles within the beautiful landscape of the Lizard. Our school emblem, the Arctic Tern, symbolises the strong sense of community and shared purpose that defines Mullion School. Each year group has a flight path number, fostering a sense of identity and belonging that builds a robust school spirit.

At Mullion, we pride ourselves on being a community where we prioritise the hopes and dreams of every single one of our students. Whether a student is a budding mathematician, a linguist in the making, a keen scientist, a performer, or a star on the sport's field, we're here to support them.

At Mullion, a proudly small school, we are passionate about making the right choices for our students and ensuring they make the most of their time in our school.

Our Curriculum

We aim to create a learning environment that suits students best. Our curriculum development team have designed a curriculum that's inclusive and ambitious, providing students with a wealth of opportunities to explore their interests and passions.

At Key Stage 4, we offer a choice of 18 courses - a rich variety that gives them the power to shape their learning journey. Of these 18, students choose three subjects to study alongside the core offer of English, maths, science, PE and PSHE.

This is an environment where you can shine, whatever your strengths.

At Mullion School, we are also dedicated to ensuring that our students receive quality careers education, information and guidance to support them with their future careers aspirations. We provide impartial guidance and support on further education, training and employment. This is embedded into the school ethos of raising aspirations for all students.

OFSTED

Our school was inspected by OFSTED on 8 November 2023 and was graded as GOOD. Our reports can be viewed on the OFSTED website: [Mullion School OFSTED Reports](#)

TPAT

Mullion School is proud to be part of Truro and Penwith Academy Trust. TPAT work alongside our ethos of every child deserving the opportunity to succeed regardless of location or circumstance. Likewise, every school, regardless of size or level of geographical isolation, deserves the support necessary to make this happen.

Safeguarding

TPAT is committed to safeguarding and promoting the welfare of children and young people and expects all staff, workers, volunteers, governors and trustees to share this commitment.
