

## Nancledra Primary School

### **Welcome to our School**

Thank for showing interest an in applying for a position at our school.

Nancledra Primary School is a forward thinking, high-achieving and nurturing school which has high aspirations for both its families and children, and its team of dedicated and talented staff.

Our aim is for all pupils to leave Nancledra as happy, confident, independent learners who are not only curious about the world around them but who can also contribute to it being a better place for one and all.

Positive relationships are the beating heart of our school as it is our belief that children need a strong sense of belonging to thrive; we are immensely proud of the productive, caring partnerships we have with both our families and the wider community.

We are situated in a beautiful, rural setting in the fields between Penzance and St. Ives and our outside space is exceptional and ripe for further development.

However, the real strength of the school lies in the people who work tirelessly to ensure all children thrive academically, emotionally and socially. Our children are keen to learn and enjoy the challenge our curriculum presents them.

## Our Curriculum

Our newly developed SPARK curriculum aims to develop an irrepressible sense of curiosity; a strong sense of place and belonging; knowledge and skills; and ultimately ignites a thirst to know more

We treasure childhood and believe all childhoods should be full of adventures – not least because adventures are fun but also because we believe they build resilience; are the perfect platform for discovering new skills and providing even more curious questions; allow friendships and memories to be made. Through every year group, opportunities to visit new places, use new technology and thrive in our Wild Passport Forest School programme are well-planned and prioritised.

On leaving Nancledra, we will have ignited a 'SPARK' in all our children to be life-long learners, nurturing not only the will to know more and be able to do more, but also the ability to positively influence one's own life and the world around them. Stories play an important role in our curriculum offer as does powerful knowledge. We use the Primary Knowledge Curriculum to deliver our foundation subjects but work form our own bespoke writing and reading curriculum.

## Our School Structure

Nancledra Primary School is situated between Penzance and St Ives, We currently have 87 pupils on roll over 4 classes.

## Ofsted

Our school was inspected by OFSTED on 10th December 2024 and was graded as GOOD. Our report can be viewed on the OFSTED website: [Nancledra Primary School OFSTED Report](#).

## TPAT

Nancledra Primary School joined Truro and Penwith Academy Trust (TPAT) on 1st August 2016. The Trust includes a number of schools across Cornwall.

## Safeguarding
