

## Lanivet Community Primary School

### Welcome to our School

Thank you for showing an interest in applying for a position at our school. Set in the centre of Cornwall, our small school caters for the children of the village of Lanivet, outlying farms and hamlets and children from larger towns who can benefit from the family atmosphere of which we are proud.

Located in the heart of Lanivet, mid-Cornwall, Lanivet School is situated just off the A30 at the edge of Bodmin Moor in acres of beautiful countryside. The children learn in a welcoming safe, indoor and outdoor learning environment, which we keep improving with the help of our community. The school welcomes children aged four to eleven and all are taught in well-equipped classes with good staff/child ratios ensuring high levels of individual pastoral care. Our dedicated team of teachers are highly qualified and extremely motivated. They work well together and have high expectations for the children. The school is proud of its effective communication and partnership with parents, all of whom are invited to attend a variety of events including concerts, dramatic productions, sports matches, meetings and fund-raising events.

The staff and governors are extremely proud of our school and the achievements of the children. We work closely with parents, children and the community to build on our success and work towards the future. Our School is committed to safeguarding children and building life long learners.

## Our Curriculum

Our aim is to provide our children with an exciting and engaging curriculum that prepares them academically, physically and mentally for learning and life today and for their future in modern Britain.

Lanivet Community Primary School is a small, semi-rural school with a constantly evolving curriculum. It has been designed taking into account the knowledge, skills and understanding as set out in the National Curriculum and focuses on developing individual and collaborative learning experiences, a positive growth mind-set and responds to the needs of our learners and their interests.

Our Curriculum raises awareness of the local issues and the environment. It is outward looking to both the national and global picture. In this way, we are teaching children to engage in learning about themselves and have an understanding about the wider world in which they belong.

The Curriculum at Lanivet Community Primary School is a curriculum focused on three golden threads, Healthy Body, Healthy Mind, Healthy Planet. These threads are central to our forward-thinking curriculum where we address personal social and global health across our curriculum and within our extracurricular provision. We believe that children need to have the right attitude, skills and knowledge to be an effective learner and have built metacognition into our provision to support our pupils to develop these skills.

## Our School Structure

We have 6 classes with KS1 as mixed age classes (EYFS/Year 1 and Year 1/Year 2) with KS2 as single form classes. We have space for 175 children throughout the school.

The school is set in a large area where the children have access to green fields and fresh air. There's room for football, netball, bike riding and many other outdoor activities which are crucial to the children's wellbeing and health.

## OFSTED

Our school was inspected by OFSTED on 21st September 2022 and was graded as GOOD in all aspects. Our report can be viewed on OFSTED's website: [Lanivet Community Primary School OFSTED Report](#)

## TPAT

Lanivet Community Primary School is proud to be part of Truro and Penwith Academy Trust. TPAT work alongside our ethos of every child deserving the opportunity to succeed regardless of location or circumstance. Likewise, every school, regardless of size or level of geographical isolation, deserves the support necessary to make this happen.

## Safeguarding

TPAT is committed to safeguarding and promoting the welfare of children and young people and expects all staff, workers, volunteers, governors and trustees to share this commitment.
