

St Erth Community Primary School

Welcome to our School

Thank you for showing an interest in applying for a position at our school.

At St Erth we value the well being of the children in our care above all else. We aim to create a happy, safe, caring environment in which every child can succeed and do their best. To this end we constantly strive to improve by keeping up to date with the very best ideas in teaching and learning and providing a fun place to learn.

We have developed engaging and vibrant learning spaces indoors, outside and online to enhance our curriculum and provide children with a wide range of learning experiences. We make use of the unique landscape, culture and history of our local area to further enhance our curriculum offer as well as broadening horizons through residential trips to (such as Bristol, London and Dartmoor) and carefully planning diverse topics to study, for example. We intend for children to leave St Erth School being confident, aspirational and self-aware learners who, as well as being academically successful, are ready for the challenges of life.

We know that strong and supportive relationships are the most important factor to a child's development. Our staff seek to understand and support each child as an individual, ensuring they feel valued and secure. Key to this is building a close working relationship with parents. We ensure our staff are highly visible and always available to discuss your child's learning, so we can work together to achieve the best possible outcomes for them.

Our Curriculum

St Erth school aims to ensure every pupil reaches their full potential and is ready for the next stage in their education. Pupils attending St Erth school benefit from a broad and balanced curriculum that is tailored to their individual needs. Children's knowledge progresses at pace and in line with the curriculum; each stage of their academic development is carefully monitored and planned.

Crucially, as a result of the curriculum children are given the cultural capital to achieve regardless of their individual circumstances. Wherever possible, the curriculum provides real-life experiences and develops a sense of local and global citizenship. We intend for children to leave St Erth School being confident, aspirational and self-aware learners

Our School Structure

St Erth School currently have 106 pupils on roll over 4 classes. EYFS, Year 1/2. Year 3/4 and Year 5/6.

OFSTED

Our school was inspected by OFSTED on 15 July 2024 and was graded as GOOD. Our reports can be viewed on the OFSTED website: [St Erth Community Primary School OFSTED Reports](#)

TPAT

Truro and Penwith Academy Trust (TPAT) supports primary and secondary schools in Cornwall. It was first established in April 2014 and St Erth School joined the Trust in 2016.

Safeguarding

TPAT is committed to safeguarding and promoting the welfare of children and young people and expects all staff, workers, volunteers, governors and trustees to share this commitment.
