

Newlyn Primary School

Welcome to our School

Thank you for showing an interest in applying for a position at our school. At Newlyn, the children are the beating heart of our school, and we work to ensure they are happy, confident and have extensive opportunities to prepare them for their successful futures after Primary School.

Our staff are caring, dedicated and passionate about getting the very best from all children, believing that with effort and high aspirations greatness and excellence can be achieved. We are a school that embraces learning through mistakes, harnessing strength in trying again and building resilience with a positive 'can do' attitude. We encourage children to be masterful in their learning and develop their motivation to be life-long learners with a thirst for adventure.

At Newlyn School, we actively promote a positive learning environment that inspires and enriches the learning experiences for all children. Through our engaging and carefully crafted curriculum design, we ensure that all children can foster a passion for learning and curiosity that will help to continue to develop their high aspirations whilst building a lifetime of memories.

We believe in ensuring that children receive a well-rounded curriculum showcasing their individual talents, nurturing these to ensure that all children experience success. We are particularly passionate about Art, Music and Sport. Many of our children have taken the opportunity to learn an instrument and take part in a wide range of sporting activities of which we have many successes.
