

## Berrycoombe Primary School

### Welcome to our School

Thank you for showing an interest in applying for a position at our school.

At Berrycoombe we believe that education is important because it gives our children freedom and choice both now and in the future. Education empowers children. We are committed in ensuring that the children in our school make an excellent start to their learning.

At Berrycoombe we have high aspirations and hopes for the children. We will ensure they love their learning and have fun. That they feel safe at school and fulfil their full academic potential.

### School History

Our school was opened in 1980 by Prince Charles, now King Charles III! We are very proud of our history and that we have been part of the local community for over 40 years.

### Our Curriculum

Our children are amazing and one of the school's greatest assets. At Berrycoombe we have carefully structured our curriculum to help our children learn and remember. This benefits all children but is particularly useful for children who are managing school life with additional pressures and complications. To help our children achieve and succeed we have an increased focus on literacy. Literacy is the key that unlocks future learning and it is important that children leave school secure in these skills.

## Our School Structure

Our school is set over 7 classrooms starting with our EYFS class and moving through to our Year 6 class. We have room for up to 30 children per class meaning our classes are able to meet the needs of our pupils. The school is set in a large area where the children have access to green fields and fresh air. There's room for football, netball, bike riding and many other outdoor activities which are crucial to the children's wellbeing and health.

## OFSTED

Our school was inspected by OFSTED on 27th and 28th September 2022 and was graded GOOD in all aspects. Our report can be viewed on OFSTED's website: [Berrycoombe Primary School OFSTED Report](#).

## TPAT

Berrycoombe Primary School is proud to be part of Truro and Penwith Academy Trust. TPAT work alongside our ethos of every child deserving the opportunity to succeed regardless of location or circumstance. Likewise, every school, regardless of size or level of geographical isolation, deserves the support necessary to make this happen.

## Safeguarding

TPAT is committed to safeguarding and promoting the welfare of children and young people and expects all staff, workers, volunteers, governors and trustees to share this commitment.
