

Mousehole School

Welcome to our School

Thank you for showing an interest in applying for a position at our school. At Mousehole School we are proud of our local community and all the rich opportunities it brings our children. We aim to achieve a successful, happy, caring and engaging environment where children are encouraged to reach their potential in all aspects of school life. We strive to make the best of every opportunity to develop confidence, respect and a love of learning in all members of our school community. We are passionate about our authentic, rigorous and engaging curriculum for all children to access learning experiences, both beyond the classroom and National Curriculum.

At Mousehole School we aim to achieve a happy, successful, warm, caring environment where children learn the knowledge and skills, they need to reach their full potential and to be ready for the next step in their education. We aim to make the best of every opportunity to develop confidence, respect and a love of learning in all members of the school community.

Fostering creativity is very important to us. These approaches are encouraged across the curriculum not just in the arts. Creative solutions are encouraged at all levels and the ability to see things from different perspectives is celebrated. We are very lucky to be part of a community of very creative people and many of them work with the school. Over the last two years we have worked with film makers, musicians, authors, artists, scientists, sculptors, puppeteers and poets.

Our Curriculum

At Mousehole School we passionately believe that the primary school curriculum experience should be a wide and varied one linking to our community. We rigorously and methodically teach children to read, write and use numeracy and teach them a wide range of knowledge and skills that we believe are important for making them happy and productive members of society.

Alongside the curriculum, each term we focus on a different set of themed learning skills as part of assemblies and classroom work. These give children an understanding of how they learn and how they can make the most out of being members of a learning community. There is more detail in the download below but we have six areas we focus on:

Expect to Connect
Wander and Wonder The
Reflective Perspective
Empathy and Equity Think
Big Believe in Me

Our School Structure

The staff of Mousehole School are a very talented, versatile and committed group of people who are a large part of what makes our school so special as a whole community. We currently have 100 pupils on roll. We have 3 classes and the Mousehole Mice pre-school nursery.

Ofsted

Our school was inspected by OFSTED on 27th April 2022 and was graded as good. Our report can be viewed on the OFSTED website: [Mousehole School OFSTED report](#)

TPAT

Mousehole School joined Truro and Penwith Academy Trust (TPAT) on 1st November 2017. The Trust includes a number of schools across Cornwall.

Safeguarding

TPAT is committed to safeguarding and promoting the welfare of children and young people and expects all staff, workers, volunteers, governors and trustees to share this commitment.
