

Blackwater Community Primary School

Welcome to our school

Thank you for showing an interest in applying for a position at our school. Blackwater is a happy, caring Primary School where we pride ourselves on being able to get to know every child and family individually. At Blackwater, we believe, and work hard to ensure, that children thrive in an environment in which they are happy, challenged and secure. All of us at Blackwater hope your child's experience in primary is exciting and memorable. We understand that these school years will help set the foundations and building blocks for a positive, life-long journey of learning, developing and fulfillment.

Our vision is to embed a strong sense of self in all children, celebrating their individuality. We expect our children to see that they have a role and a responsibility in the world; Locally, Globally and Environmentally. Together we will continually strive to remove the barriers to success and fear of failure.

Above all, we will endeavour to foster a love of learning and high aspirations.

Our children will always go above and beyond in all they do.

At Blackwater School, we value kindness over everything. The children are taught kindness on every level.

Our Curriculum

Our curriculum puts the child at the centre of our caring, sharing, achieving school, where positive relationships, based on mutual trust and respect are at the heart of everything we do.

The key principles behind the design of our curriculum are for our children to:

- be confident, independent and resilient; displaying a thirst for learning
- be kind; showing empathy and compassion whilst valuing diversity
- achieve academically across the entire curriculum, meeting at least the national expectation by the end of their primary education
- be culturally knowledgeable about our country and our world
- have aspirations for the future and know that these can be reached through hard work and determination
- be well prepared for the challenges of the secondary school curriculum.
