

## Pensans Community Primary School

### Welcome to our School

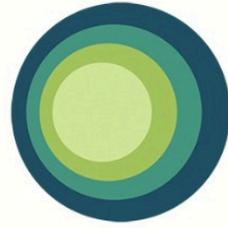

Thank you for showing an interest in applying for a position at our school. It is our aim to have a positive and successful partnership with our pupils, parents, carers and the local community to benefit all our children. The dedicated teaching and support staff are welcoming, approachable and above all highly professional to deliver a quality and creative curriculum for your child.

Our school provision caters for children between 3 years and 11 years old. Our classes vary in number reflecting the admission of local children to their local school. We are also excited to be opening our own Area Resource Base, a specialist provision for primary age pupils with additional Communication & Interaction needs, in the Spring 2024.

We are fortunate to have amazing school grounds with our Forest School facility, a large sports field, a woodland area, an amphitheatre and our wonderful 'teletubby' hills! We aim to utilise the school site at every opportunity to support and enhance our curriculum whilst at the same time venturing out into our local community and natural environment to give our children as many experiences as possible.

We actively promote a positive learning environment where respect and clear expectations support pupils to have a productive, happy and enriching school experience. This provides the building blocks of their school career and prepares them for successful futures after Primary School.

## Our Curriculum

We have invested in providing a bespoke, exciting and creative curriculum which inspires and motivates children and supports high quality learning.

At Pensans we believe that children need to have a connection with their local community and the wider world. Staff plan learning opportunities within their projects to get children outside in our wonderful school grounds as well as our local environment and around Cornwall. Children get to experience a Forest School programme and experience camps and residential to enrich their learning further.

We love to be involved in our local community and regularly link with neighbouring schools, churches, we perform at the annual St Piran's celebrations and Mazey Day as well as many local sporting events.

## Our School Structure

Pensans Community Primary School currently has 121 pupils on roll over 8 classes. Our support staff are a key part of our teaching and learning team. We also have dedicated administrative, catering and site management teams.

## OFSTED

Our OFSTED reports can be found on the OFSTED website: [Pensans Community Primary School OFSTED Report](#)

## TPAT

Pensans Community Primary School joined Truro and Penwith Academy Trust (TPAT) on 1st June 2017. TPAT is a supportive and collaborative organisation with one primary focus: the improvement of teaching and learning within Cornwall. The Academy Trust works with local schools to ensure that young people in Cornwall have access to the best possible learning experiences.

## Safeguarding

TPAT is committed to safeguarding and promoting the welfare of children and young people and expects all staff, workers, volunteers, governors and trustees to share this commitment.
