

Pendeen School

Welcome to our School

Thank you for showing an interest in applying for a position at our school. Learning for us is all about making new links, forming new friendships, creating new memories and using the world around us to enrich and broaden our understanding.

Our wider school community and families are an integral part of what we do and we are very proud of the relationships we continue to build.

We know our families exceptionally well and will always go the extra mile to nurture each member of the school community, enabling everyone to feel safe, secure and valued.

We foster a positive and inclusive learning environment where children and staff are encouraged to be creative, innovative and take risks in all that they do.

Children at Pendeen experience opportunities and experiences that are tailored to best suit the needs of all learners; both in the classroom and within our beautiful school grounds.

Our school aims to give every child the opportunity to develop:

- A love of life and learning.
- Positive relationships with others.
- The skills and knowledge to achieve their highest potential.
- Resilience, resourcefulness and self-belief.
- A willingness to engage with new ideas and experiences.
- Respect and curiosity about the world around them.
- Courage, determination, flexibility and integrity.

Our Curriculum

Pendeen School follows the National Curriculum. This determines the content of what will be taught and, through Programmes of Study and attainments targets for the National Curriculum subjects, it also determines how performance will be assessed and reported. The National Curriculum is organised into Key Stages. Reception children follow the Early Years Foundation Stage curriculum, KS1 is for children aged 5–7 (Year Groups 1 and 2) and KS2 is for children aged 7–11 (Year Groups 3,4,5 and 6)

When planning our curriculum, pupil voice was a key factor. Each half termly topic is accompanied by a text; a book, a poem, a film, or a piece of non-fiction writing. This text provides the 'hook' for all of our learning. We believe that children learn best when they are excited and intrigued, and we aim to provide a cohesive and immersive learning experience which encourages children to be curious, whilst offering the opportunity to build upon previous knowledge and skills. Through discussion with pupils, we have been able to identify the topics that will excite and motivate the children at Pendeen, whilst at the same time, building on previous learning experiences to support the National Curriculum.

Our School Structure

Pendeen School has 68 pupils on roll over 4 classes.

OFSTED

Our school was inspected by OFSTED on 16th May 2023 and was graded as GOOD in all aspects. Our report can be viewed on OFSTED's website: [Pendeen School OFSTED Report](#)

TPAT

Pendeen School joined Truro and Penwith Academy Trust (TPAT) in 2014. The Trust includes a number of schools across Cornwall.

Safeguarding

TPAT is committed to safeguarding and promoting the welfare of children and young people and expects all staff, workers, volunteers, governors and trustees to share this commitment.
