

## Nanpean Community Primary School

### Welcome to our School

Thank you for showing an interest in applying for a position at our school.

At Nanpean Primary we will provide every child with a safe and healthy environment in which to learn and develop the skills they need to be positive members of the community.

We believe that the primary years are such an important time, laying the foundations for so much that follows. We therefore do our best to make the children's time with us as enjoyable and productive as it can be.

The hard work of the children, staff and governors gives us confidence that we are moving the school in the right direction according to the wants and needs of its children and parents. Feedback from parents has indicated that the inspiring teaching of interesting topics in school has created happy, enthusiastic children.

Our School is located in the "Clays Area" near to St. Austell on the South Coast of Cornwall. The school caters for children between the ages of 4 – 11. We put the children at the centre of what we do at Nanpean by aiming to instil in our children a love of learning and develop a 'can do' approach that enables them to grow ambition.

## Our Curriculum

At Nanpean Community Primary School (NCPS), we aim to provide a positive learning experience for every child, through an exciting and engaging curriculum which will inspire children, foster their independence and develop resilience.

We believe that our children have the right to flourish, recognise their own greatness and continually develop as individuals, and feel that this will be achieved through delivering high quality teaching and learning which ensures children engage in a range of learning experiences which are challenging, relevant (to their lives) and meaningful.

Our ultimate aim is that this enriches the educational experiences of all children in our school to ensure that they are confident, happy and resilient learners who develop knowledge and skills as well as a lifelong love for learning, so that they have a better understanding of themselves and the complex world we live in.

## Our School Structure

The school currently has 134 children on roll. The class structure for the next academic year is an EYFS/Yr1 class, a Year 1 / 2 Class, a year 3 / 4 class, a year 4/5 class and a year 6 class. We currently have 9 class teachers.

## OFSTED

Information regarding OFSTED can be found on the OFSTED website: [Nanpean Community Primary School](https://www.ofsted.gov.uk/schools/140467)

## TPAT

Nanpean Primary School joined Truro and Penwith Academy Trust (TPAT) on Wednesday 1st February 2023. The staff and governors are pleased to have joined a supportive trust, and are looking forward to being able to continue to further develop as a school.

## Safeguarding

TPAT is committed to safeguarding and promoting the welfare of children and young people and expects all staff, workers, volunteers, governors and trustees to share this commitment.
