Our School Structure and team

We are a small school with three classes. Our Longships Class is the home to Reception, Year 1 and Year 2 aged children. Year 3 and Year 4 aged children reside in our Trevoise Class with our Year 5 and Year 6 children finishing their time at Kehelland in Tater Du Class.

Our staff team are dedicated and work hard with an excellent sense of humour and a solution-focused approach to all problems. We all work together to ensure the outcome – our children – is the very best it can be and follows our motto of joy and making memories.

We believe that every student and staff member, has the potential to achieve great things. Through hard work, perseverance and a positive mindset, we aim to help everyone reach their fullest potential and prepare them for the exciting challenges ahead.

School facilities

Our building was originally built in the 1800's and retains significant character. However, since then it has been extended several times. The hall has recently been refurbished and our classrooms are large, light and airy. We are a school that utilizes technology very well, having Ipads and laptops. In KS2 each child has their own Ipad. We have school gardening areas, a small orchard and wild area for forest school type activities and an outdoor classroom.

We have a playground and a large field which children have access to. There's plenty of room for football, netball, running and a variety of outside sports which are crucial to the children's wellbeing and health.

OFSTED

Our school was inspected by OFSTED on 29th November 2023 and was graded as GOOD in all aspects. Our report can be viewed on OFSTED's website: [Kehelland Village School OFSTED Report](#)
