

## Mullion Community Primary School

### Welcome to our School

Thank you for showing an interest in applying for a position at our school.

Here at Mullion Primary School, we aim to instil in our children a love of learning and develop a 'can do' approach that enables them to grow ambition. Our children develop an understanding of themselves as individuals, with their own talents and characters, as well as value the people and world around them. We are committed to preparing our children for the next stage on their journey so that they are able to grasp all and any opportunities for their future.

In order to achieve our mission statement and key aims, the school will:

- be clear about the knowledge and skills that pupils need in order to achieve.
- provide a broad and balanced curriculum.
- plan to at least meet and exceed the requirements of the National Curriculum.
- ensure that end points are identified so that we know the knowledge and skills our Year 6 pupils need
- have a long-term plan ensure that ensures the school's curriculum is planned and sequenced so that new knowledge and skills build on what has been taught before and cross-curricular links are made where appropriate to deepen understanding and drive purpose
- ensure the curriculum offer reflects the school's local context by addressing typical gaps in pupils' knowledge and skills from the beginning
- ensure there is a high academic ambition for all pupils which is inclusive of pupils with special educational needs and differences as well as disadvantaged pupils

## Our Curriculum

### Curriculum Impact

- A well-constructed and well-taught curriculum leads to pupils learning more, being given opportunities to build on prior learning and so are supported to achieve good outcomes. This creates a desire to learn more and supports the development of a love of learning and curiosity.
- Pupils are making more progress in that they know more, remember more and are able to do more by applying their knowledge and skills. Teachers carefully consider learning sequences to make sure that they foster a love of learning and curiosity in our pupils.
- Every child is a reader – our reading-rich curriculum effectively enhances learning and engages all pupils. They are able to read, at least, at an age-appropriate level and have developed reading fluency. This results in pupils being able to access the full curriculum and removes barriers to learning.
- Disadvantaged pupils and pupils with SEND acquire the knowledge and cultural capital they need to succeed in life.

## Our School Structure

Mullion Community Primary School is located in the village of Mullion, Cornwall, which is on the Lizard Peninsula. We currently have 143 pupils on roll over 5 classes.

## Ofsted

Our OFSTED reports can be viewed on the OFSTED website: [Mullion Community Primary School OFSTED Report](#)

## TPAT

Mullion Community Primary School is proud to be part of Truro and Penwith Academy Trust. The Trust includes a number of schools across Cornwall

## Safeguarding

TPAT is committed to safeguarding and promoting the welfare of children and young people and expects all staff, workers, volunteers, governors and trustees to share this commitment.
