1. Aims, scope and principles

This policy aims to set and maintain standards of conduct that we expect all those in Governance roles to follow.

By creating this policy, we aim to ensure that those in Governance roles carry out their role with honesty and integrity, and help us to ensure our Trust is an environment where everyone is safe, happy and treated with respect.

The code is based on the [Governance Handbook](#) and the [Academy Trust Handbook](#). It should be read alongside our constitutional documents (e.g. our Articles of Association, Scheme of Delegated Authority and relevant Terms of Reference). Failure to follow the code of conduct may result in disciplinary action being taken, as set out in the appendix.

Please note that this code of conduct is not exhaustive. If situations arise that are not covered by this code, those in Governance roles will use their judgement and act in the best interests of the Trust and its pupils.

2. The 7 Nolan principles of public life

As individuals holding TPAT Governance roles, We will follow these [principles](#) set out by the government at all times. They apply to anyone who holds a public office:

- **Selflessness** – we will act in the public interest
 - **Integrity** – we will not act or take decisions to gain financial or other material benefits for ourselves, our family, or our friends. We will declare any conflict of interests
 - **Objectivity** – we will act and take decisions impartially, fairly, and on merit. We will use the best evidence and avoid discrimination or bias
 - **Accountability** – we understand that we are accountable to the public for our decisions and actions. To make sure of this, we will be scrutinised where necessary
 - **Openness** – we will act and take decisions openly and transparently. We will not withhold information from the public unless there are clear and lawful reasons for doing so
 - **Honesty** – we will be truthful
 - **Leadership** – we will actively promote and support the above principles and will challenge poor behaviour wherever it happens
-

3. Responsibilities

In Trusts, the purpose of governance is to provide:

- Strategic leadership
- Accountability and assurance
- Strategic engagement

In order to do this effectively, as individuals we will:

- Understand and respect the distinction between the *role and responsibilities of the governance* and those of the executive leadership
- Set and maintain an ethos of high expectations for everyone in the community of every school, including in the conduct and the professionalism of the board or committee itself
- Promote equality and diversity throughout our organisation
- Preserve and develop the character of the Trust
- Not undermine fundamental British values, including democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs
- Operate and make decisions in the best interests of pupils, informed by the views and needs of our key stakeholders (pupils, parents, staff, local communities)
- Follow the Trust's Safeguarding and Child Protection Policy at all times and ensure that safeguarding and promoting the welfare of children remains a central consideration in all governance activities and decision-making
- Follow the Trust's policies and procedures, and the procedures of the governance as set out in relevant legislation, statutory guidance, and the trust's constitutional documents. With particular attention paid to the Scheme of Delegated Authority and the relevant Terms of Reference.
- Take responsibility for our self-evaluation, regularly reviewing our performance, constitution and skillset
- Take part in any training or development required to fill any gaps in the skills we need for effective governance
- Understand that where responsibility has been delegated, the board/committee as a whole remains accountable and that important decisions relating to the governance purpose will be made by the full board or committee
- Comply with relevant guidance and legislation and our funding agreement that sets out how we must manage our Trust's money, and procure goods and services
- Act with integrity and transparency when making financial decisions, and understand that our financial management and decision-making will be scrutinised and audited
